# Dear Reader,

Just imagine what it would be like if you could achieve everything you ever dreamed of and take your performance or that of your organisation to a higher level of excellence?

That would be amazing, wouldn't it?

At Rainbow Consultants, our experienced consultants will work closely with you to develop the most effective interventions to help you achieve your goals.

Check out our website to find out how we can help you unlock your potential.

You can also find further information and read case studies from our work on:

- ✚ Coaching
- ✚ Consultancy
- ✚ Facilitation
- ✚ Neuro linguistic programming
- ✚ Organisational development

Regards,

*Janice*

Director, Rainbow Consultants

# Services

## Coaching

*Are you ready now to achieve your personal and professional goals and be the best that you can possibly be? We offer a range of unique 121 coaching programmes designed to take your performance to a higher level.*

## Consultancy

*Do you need someone to assist you in setting up an employee wellbeing programme or assist you in developing a business case for diversity or a strategic approach to workforce planning and development? We will work in partnership with you to ensure that your development initiatives are successful over the longer term.*

## Facilitation

*Do you need someone to facilitate a visioning workshop, team event, or design a bespoke training event just for you? Our experienced and qualified facilitators can design and run a wide range of sessions aimed at meeting your specific business challenges.*

## Organisational Development (OD)

*Do you want to take your organisation to a higher level of performance? We offer a wide range of OD interventions that will assist your organisation in meeting its strategic objectives: from the development of your leadership capacity to the creation and implementation of your performance management frameworks.*
